

First Three Local Recruits Sign Up For Active Duty

Volunteers Will Complete Basic Training At Lackland Base

Korea reached out and touched Belle Glade Tuesday when the first three local youth since the last war volunteered for service in the Army Air Force.

The three recruits—Kenneth Bass, 20, and Joel Bass, 21, sons of Mr. and Mrs. J. A. Bass, and Richard Pike, 21, son of Mr. and Mrs. J. A. Pike—signed up with Sergeant Gensow, district recruiting officer.

They left Wednesday for Miami where they took their examinations. They will complete basic training at Lackland Air Force Base, San Antonio, Texas. At the base they will also try for Officer's Candidate School with completion of basic training, according to Sergeant Gensow.

Full of youthful enthusiasm, the men gave for their motives for enlisting—talks with the draft board.

The trio evidently have worked together as a team for some time and plan to continue their association in the army life. They all attended the University of Florida last year majoring in agricultural engineering. Kenneth Bass was a freshman and Joe Bass and Richard Pike were juniors.

LOCAL FOOTBALL TEAM DEFEATS PAHOKEE TEAM

The Belle Glade played the boys' football team defeated the Pahokee team 14-0 in the sixth and one time in the seventh, according to Coach Doug Leavitt.

Pahokee did their scoring in the fourth, fifth and sixth innings. The Belle Glade scored four times in the first inning, three in the sixth and one time in the seventh, according to Coach Doug Leavitt.

Players on the Belle Glade team were: John Thomas, center; Don Crosby, first base; Jackie Poole, second base; Frank Jones, short stop; Harry McDonald, third base; Carl Gilliam, left field; Jerry Brent, center field; J. C. Womack, right field; Ervin McTaggart, short fielder; and J. F. Wilcox and Doug Conington, pitchers.

SUMMER COMMUNITY BAND MAY BE FORMED HERE

Plans are under way to form a summer community band open to adults and children, according to Howard C. Payne, head of the summer music program.

Organization meeting is scheduled Wednesday at 7:30 p. m. in the high school auditorium. If the band works out, a series of summer concerts will follow, Payne says.

Those interested in the summer music program has been increasing as students return from vacations. All school age children are eligible to join and some instruments are available for use by junior and senior high students, according to Payne.

Those interested in entering the program are asked to contact Payne for a conference.

PAR-TEE LINE
Everglades Country Club, Inc.
By Anne Neumann

An informal dance is scheduled at the club from 8:30 to 1 Saturday night. In order to give the whole evening, come promptly—the orchestra will play the women's golf tournament stands as follows: Mr. O. G. McWhorter vs. Mrs. E. A. McGee; Mrs. A. K. Kitchman vs. Mrs. C. J. Asper.

Second flight: Mrs. Luther Jones vs. Mrs. John Tebit and Mrs. Leland Pearce vs. Mrs. Bill Rhodes.

Consolation first flight: Mrs. Cliff Livingston vs. Mrs. Harold R. B. Y. Crouch, Jr., vs. Mrs. Harold R. B. Y. Crouch, Jr.

Consolation second flight: Mrs. B. Y. Crouch, Jr., vs. Mrs. Harold R. B. Y. Crouch, Jr.

ELLIOTT DENIES EARLY COMMITTEE ASSIGNMENTS

Answering a Miami Herald story, Representative B. Elliott, speaker-designate of the 1951 House of Representatives, denied making any assignments or commitments on committee chairmanships.

The story he referred to appeared in the paper Sunday insinuating that Elliott's speaker election was obtained through the aid of Representative Bernie Papp of Monroe County.

The story also insinuated that he allegedly promised Papp the chairmanship of the public amusement committee in 1951, according to Elliott.

"There have been none nor will there be any assignments or commitments on committee chairmanships until the legislative caucus in September," he said.

Lautz Is Ordained Into The Ministry

William F. Lautz, pastor of the Everglades Presbyterian Church, was ordained last Sunday in a ceremony held in the new sanctuary on North Main Street.

Commission of the St. John's Presbyterian, Presbyterian Church, U. S. C. H. T. Boney and VanKovering of the Memorial Presbyterian Church in West Palm Beach.

Dr. Noble was assistant dean of the Home Mission Board, St. John's Presbyterian in Palm City.

Dr. Lautz is a native of Lake City. He graduated from the University of Miami and Dallas Theological Seminary. He served two years in the U. S. Navy in the Pacific theater.

Dr. Hamilton has two degrees from the University of Florida and a doctor philosophy from Cornell. He has been connected with the College of Agriculture, as instructor, assistant professor, and since 1923. For two years, 1942-44, he was chief of the citrus fruit section, USDA Production and Marketing Administration.

Other recent appointments include: Dr. E. S. Homer, assistant agronomist, Roger L. Bartley, administrative manager, C. W. Anderson, assistant plant pathologist, Dr. A. T. Wallace, assistant agronomist, and J. W. Joiner, assistant editor, all at the Main Station in Gainesville.

Dr. W. A. Simanton, entomologist, Dr. C. L. Leary, and Dr. W. G. Czerwinski, assistant horticulturist, Vegetable and Fruit Division, and Dr. R. M. Pratt, assistant entomologist - pathologist, and J. R. King, assistant entomologist, Citrus Station, Lake Alfred.

David B. Gibb, fiber technologist, Everglades Station, Belle Glade.

Dr. George Swank, Jr., assistant plant pathologist, Central Florida Station, Sanford.

Crops Laboratory, Bradenton.

University Students Get Summer Training In Forest At Wakulla

Camping can be rugged business, especially when a college degree is at stake, and that's the situation facing the University of Florida forestry students who are spending six weeks gaining practical knowledge of forest practices at the University's Conservation Reserve Forest near here.

The forest, consisting of 2,100 acres on the John's River, is administered by the dean of the College of Agriculture and is used each summer for the forestry school's summer camp. Coinciding with regular summer school sessions at the University, the training is a requirement for a degree in forestry.

Under the contract, the University's regular Air Force officers for courses of training in business administration, aeronautical engineering and others specified by the AAFIT.

Renewal of a three-year contract was made when the United States Army Air Force Institute of Technology and the University of Florida for the training of Air Force Officers.

Livestock Market Management Calls For Fat Cattle

Prices High For Slaughter Cattle Demand Good Supply Short

Despite buyers' calls from distant points to the Glades Livestock Market for fat cattle, the supply was short at the sale last Friday.

Prices for slaughter cattle ranged from \$18 to \$23 with a medium slaughter heifer bringing \$25.00. Slaughter calves sold for \$22.00.

Sales totaled \$121,681 for the transfer of 191 cattle, 38 calves and 40 hogs.

Stocker steers sold for between \$18 and \$25.50 and stocker heifers from \$17 up to \$26.

Agriculture Staff Appointments And Promotions Listed

C. D. C. Noble, veteran of 24 years with the University of Florida, becomes dean of the College of Agriculture July 1, and Dr. H. G. Hamilton succeeds him as head of the department of agricultural economics.

Dr. Noble was assistant dean from 1940 to 1947 and has been associate dean for the past three years. At the same time he was head of the department of agricultural economics in the teaching division, Experiment Station, Agricultural Extension Service.

Dr. Hamilton has two degrees from the University of Florida and a doctor philosophy from Cornell. He has been connected with the College of Agriculture, as instructor, assistant professor, and since 1923. For two years, 1942-44, he was chief of the citrus fruit section, USDA Production and Marketing Administration.

RABIES CLINICS TO BE HELD IN CITY JULY 15

A rabies clinic will be held here July 15 in the city hall under the sponsorship of the Palm Beach County Health Association, local sanitation department and the Animal Rescue League.

The clinic will be open from 9 to 11 a. m. in the city hall from 12 to 2 p. m., at the Zosen postoffice, and from 2:30 to 4 at Okeechobee Camp. Fee of one dollar will be charged to cover cost of medicine.

Palm Beach County is the only county in the state which has escaped an epidemic, health officials report.

LOCAL ELKS ATTEND NATIONAL CONVENTION

The city's Elk organization attended the population's national convention held July 9-13 in Miami.

Local Elks playing in the golf tournament there Tuesday were: Bob Creech, Jr., L. C. Betner, O. G. McWhorter, Bob Miller and Harold Raker.

Others attending the convention were: A. E. Kirchman, J. L. Gay, M. M. Sabatton, C. C. Kirchman, August, Kinchard, Clyde Clayton, T. C. Pope and Fred Simmons.

Regular Elks meeting scheduled for Monday night was postponed.

FCD Taxes Triple At Public Meeting

Levy on taxpayers in the 17 counties within the Central and Southern Florida Flood Control District will be three times as much as that of last year, according to the district.

Dr. Noble was assistant dean from 1940 to 1947 and has been associate dean for the past three years. At the same time he was head of the department of agricultural economics in the teaching division, Experiment Station, Agricultural Extension Service.

City Removes Tax Certificate Fee Recently Placed

Harris Instructed To Reverse Order To City Clerk

Charge on property tax standing certificates was withdrawn by the city resulting from Attorney Edward S. Allen's objection to the city commission meeting Wednesday night.

Allen stated that the city clerk has been charging 25 cents for every tax return filed. He further stated that he discovered that he had placed upon the direction of Commissioner Julius Harris.

Commissioner Harris said that searching back through records placed a heavy burden on the staff. Upon questioning Mr. Plant, of the West Palm Beach office, he discovered that the city clerk had been charged 25 cents for every tax return filed.

Herbert Beck and Allen denied that West Palm Beach was the system. Mayor Harold Rabin instructed Harris to inform the clerk by letter to cancel the fee.

Due to cigarette tax return the city receives, it must reduce the ad valorem tax at least two mills, according to Harris. The law requires this reduction.

The street department was instructed to roll, grade and fill the space in front of George Abowd's Bridge Cafe and Store. The street department was instructed by Harris to inform the clerk by letter to cancel the fee.

Recent high school graduates and other new students to the University must apply with the Office of the Registrar for entrance by August 19 if they wish to enter in September, they emphasized.

Five new residence halls, one for women and four for men, now nearing completion, will provide additional residence space this year.

On request of the Belle Glade Interlocal Council, the commission moved to appoint a chairman of a colored steering committee.

National Jamboree Is Lots Of Fun Is Educational And Interesting

Says Buddy LeFils, Of Local Scouts

(By A. (Buddy) LeFils, Jr., Scoutmaster, Belle Glade Troop, 1st District, Boy Scouts of America, an organization of "Boys' Campers.")

"It was wonderful to be able to become acquainted with the boys from other states, to be come personally acquainted with the many historical sites we were able to see—it's a trip long to be remembered. I hope parents will encourage our boys to work for and take this trip because it's a liberal education."

Between enthusiastic descriptions of some incident or how it was done, Buddy LeFils told of the trip. He said that one of the five Scouts from Belle Glade to attend the National Jamboree at Valley Forge, expressed the sentiments above.

"We left West Palm Beach on Monday afternoon on special train which ended at LeFils' sonville with 95 boys from the Gulf Stream Council, where they were made a part of a Scoutmaster's tour of the South from Georgia, Florida and the Carolinas."

"We were able to see Washington, D. C., the Lincoln Memorial and other bits of Washington from the train. We detoured in 144 seconds at Betwood, en-

Engineer Jake Boyd Gives Encouraging Story Of Our County Road Construction

Build Them Yourself, County. Secondary Gas Tax, County Bond Funds, And State Road Department

A recent story by County Engineer Jake Boyd referred to "70,000,000 in the immediate past, present and foreseeable future" on county roads, and "Of the amounts expended \$2,150,000 have gone to provide four major bridges spanning Lake Worth to reach the ocean front, but with this big exception much of the rest has gone into building up the network of roads and small bridges in the ever-expanding western area."

Four sources of road and bridge money are listed as follows: COUNTY BOND FUNDS; Bacom Point Road, Pahokee to Airport.

In immediate prospect: nothing listed. STATE ROAD DEPARTMENT; Krasner, 535 S. Seaside to Hendry County line. Resurfacing Road 15 to County line.

Construction planned, a new road from the bridge to the South Bay north through County to connect with road at Bacom Point.

Approximately two miles Bolls Canal Rd., east from Okelanta.

COUNTY CONSTRUCTION; Barfield Road, Loxmore Road, Muck City Road; Streamline Road; widening and repaving of intersection between packhouse area and Rd. 115 Canal Point, rocking hospital area at Pahokee; It Could Happen Here

There was once a City Ideal where everything ran smoothly. Proud citizens not only aided by the law but carefully observed its spirit. Children and youth grew up following the way of their parents.

They enjoyed harmless pleasures in the peaceful community.

There were no civic clubs in City Ideal.

Life continued in this vein for a span of time. One day some

frisky youths committed minor misdemeanors. No one heeded

or cared about their actions. Such acts became increasingly fre-

quent, but the people had grown careless and did nothing.

Soon City Ideal became a lawless village. But there were

no civic clubs there.

Belle Glade has approximately 15 civic organizations. The

first warning sign has been given city. Several weeks ago

four grammar school youths, feeling the zest of their age and

a drive for excitement, entered the Everglades Theatre and caused

extensive damage.

A bowling alley, teen age center and supervised dances were

suggested by the evaluation group.

So far Belle Glade's juvenile delinquency record is quite

clear. If the state is to keep this way, civic clubs must live

up to their purpose of working for community betterment.

Fate of City Ideal could be ours.

P. B.

\$2,691,253 BUDGET
(Continued from Page 1)

ment \$15,000 for welfare work

\$5,000 for tuberculosis control;

\$15,000 for purchase of voting

machines; \$7,000 for radio com-

munications equipment for the

sheriff's department.

A sum of \$5,000 was budgeted

for hiring a rate expert in an

attempt to obtain lower

freight rates for this sector.

R. B. McKee, east county auditor

said the amount will be match-

ed by funds from other agen-

cies and that the commission

had budgeted a pro-rata share

of the expense in the event such

a traffic set-up was established

in the county.

A comparable tabulation on

the county budget follows:

This one Telescopes your Timetable

Of course you recognize it. Who doesn't know that those four Ventiports, that graceful sweep of fender-chrome, mark ROADMASTER — best of all the Buicks, unquestioned "big buy" of the fine-car field?

But have you tried it? Have you matched this sweet-stepping bonny partner at the tall hills, and the call of the straight-away?

Ever toiled it across town — and seen how Dynaflow's quick surge and smooth take-off slip you through traffic with minimum of foot-motion and maximum of timesaving?

Ever known the good feel of a light and easy wheel, swinging almost at a finger's touch — the soul-satisfying lift in a big 153-hp Fireball engine just waiting for the release your toe-pressure gives it?

Ever sampled that famous Buick ride — steady, level, unperurbed, soft with the special gentleness of coil springs on all four wheels, really restful in both front and rear seats?

There's no reason, really, to wait longer for such satisfying experience.

There's a Buick dealer near you. He delights in showing off ROADMASTER. He'll arrange — unless all his demonstration cars have been snatched away from him by eager buyers — to put you behind a ROADMASTER wheel.

Why not see him now — to find out what's finest in today's fine cars, and how little it takes to buy one?

**Only BUICK has
Dynaflow[®]
and with it goes:**

- MUOVER-COMPRESSION** Fireball valve-in-head power to three engines. (Over 1,500 engines in 1970 models) • **NEW, AUTOMATICALLY-CONTROLLED-VALVE** front-end, super-rough fender, "hoola-boola" tailgate • **WIDE-ANGLES VISUALLY**, clear-up and view both forward and back • **TRAFFIC-HANDY**, size, less over-all length for easier parking and gauging short turning radius • **EXTRA-WIDE SEATS** creased between the sides • **SOFT BUICK RIDE**, from oil-coil springing, Safety-Ride rim, roomy, true-ride steering torque-rake • **WIDE AHEAD OF MODS** with Body by Fisher.

Illustration of ROADMASTER is based on new model. BUICKS and SPECIAL MODELS.

Write to HENRY J. TAYLOR, ABC Network, every Monday evening.

FOUR-WAY FRONTEND
This rugged front and (1) sets the style note, (2) serves as repair guide — vertical lines are individually replaceable, (3) avoids "hooking" horns, (4) makes parking and steering easier.

ENGINEER JAKKE BOYD

(Continued from Page 1)

000, and \$13,529, gives us \$37,111, by the State Road Department.

The item of \$450,000 has been in the "promising" column for years, but we believe we will get some action on this any day by next election.

We have a State Road Department that has been good to us recently, we say sincerely "Thank You," and request our legislative delegation to deliver the message.

Just how much these items in the Glades cost, we don't know, but there's plenty of room between the figures listed above and the amount "expended in the Okeechobee region," or "much of the rest," quoted above. "Much of the rest" comes out of \$4,850,000—the difference between the \$7,000,000 and the \$2,150,000 admittedly spent on the east coast.

The whole picture is modified by Jake with the statement in a letter "The newspaper story you referred to should have read expenditure in Immokalee, past, work in progress and foreseeable future."

Thanks Jake, and the County Commission for what we can see that we have received and what we can't see and what we may expect.

SHOOTIN' BLANKS

(Continued from Page 1)

from the current development.

Chief Goodlett and four force helpers were busy under the room sun Saturday changing angle parking lines to parallel on Avenue A. The action is to reduce traffic congestion.

One lady was very heated about the whole idea and informed the chief that she would be compelled to take some action against the new parking system. "I simply cannot park that way," she complained. The Chief informed her that to improve it was his duty to report her to the state patrol. With this trend of conversation, she took a direct line on the new angles deciding to forget further action if the Chief would do likewise.

It seems that a fellow can write his head off dropping many pearls of wisdom and still fail to ignite the populace. About the time he figures his words merely serve to fill up space, he gets a spark of encouragement.

Of the numerous hints on needed projects dropped by this writer, one now threatens to breathe life.

The suggestion involved in an editorial encouraging an organizations' coordination committee of the Glades is about T. Pickett. The Pahokee Rotary Club program committees met recently and decided to take up the idea as their project.

Those faraway places will be visible to three local ladies—Mrs. Imogene Fontaine, Mrs. Mary Foy and Mrs. John Tabit.

Preparations for the transatlantic point, to start August 15, are under way. Saturday they will journey into West Palm Beach to get their passports at the court house.

They plan to leave New York and fly to Ireland. Their itinerary includes visits in France and Rome, Italy.

Lions who attended the meeting last week learned a thing or two about Korea after hearing an informative speech. The

speaker, John L. Pickett, also knows a thing or two more about the country than he did before delivering the talk. He has never been nearer than 2000 miles to Korea. "It's wonderful the information an encyclopedia holds," he says.

Jeanne Hooker Attends Methodist Youth Caravan

Jeanne Hooker, daughter of Mr. and Mrs. W. R. Hooker, is attending the Methodist Youth Caravan Training Center in Williamsport, Pa., preparing for voluntary service in local Methodist churches during the next seven weeks.

Experienced in the leadership of Christian activities among fellow youth, Jeanne is one of 280 college young people and 70 adult counselors who will work as members of Caravan teams this summer. Caravanners will serve a total of five hundred churches in the United States, Cuba and Hawaii this season.

Composed of four young people and one adult counselor,

each Caravan team is especially trained to give leadership and direction to the development of a youth program, fulfilling the ideals and purposes of the Methodist Youth Fellowship in each local church. Caravanners assist local youth in planning programs of evangelism, world friendship, and community service. They give suggestions for worship services, lead informal study groups, direct recreation, help initiate youth projects, and interpret the youth program of the church to civic leaders.

Sponsored by staff members of the Methodist Board of Education, Nashville, Tenn., the five training centers are located at Williams Penn College, Oskaloosa, Iowa; Lake Junaluska, N. C.; McMurry College, Abilene, Texas; Lymington College, Williamsport, Penna.; and College of the Pacific, Stockton, California.

Now in its 12th year, the Methodist Caravan program has reached more than a million people in over 13,000 churches across the nation and overseas.

Fla. TB Hospital in Lantana To Be Dedicated On July 18

Dedication of Lantana, the State's new \$4,000,000 tuberculosis hospital will be held Sunday, according to Senator John Becham of Palm Beach, chairman for the program.

Serving with Senator Becham as chairman is Lake Lantana, chairman, Palm Beach County Commission.

The new 500-bed hospital, located approximately 10 miles from West Palm Beach, will serve the Southeast district of Florida. It is the first State institution to be constructed in South Florida, Becham said, and plans are being rushed to admit patients in August.

Hosts for the dedication will be the State Tuberculosis Board composed of Chairman W. T. Edwards of Jacksonville, Dr. Arnold Anderson, St. Petersburg; and Louis Baggett, Miami. Also, the Palm Beach County Commission, Dr. M. Becham County Tuberculosis Association; and, health departments of the six counties in the

southeast tuberculosis district. These include, in addition to Palm Beach, Monroe, Collier, Dade, Broward, and Martin.

County Defense Council Organized Recently

The Palm Beach County Civil Defense Council, appointed by the State Defense Council, recently met and organized. It was organized by Sheriff John Kirk and County School Superintendent Howell Watkins.

The duties of the Council in a broad sense are as follows:

The Council is responsible for the preparation of Civil Defense Plans for all cities, counties and areas within the county and for the coordination of this plan with the plan of adjacent counties to render and cooperate mutual aid and support in time of emergencies when necessary.

The Council is responsible for

the training and education of participating organizations and groups, as well as the general public, in the detailed operation of the prepared plan.

A meeting has been called by the Council to be held in the Circuit Court Room in the Court House, West Palm Beach, at eight o'clock p.m. on Friday, July 14th, at which meeting representatives of all municipalities and organizations, whose services are vital in the operation of any plan of this kind, are invited; the purpose of which is to discuss this program and plan with a view of having a uniform plan in all communities.

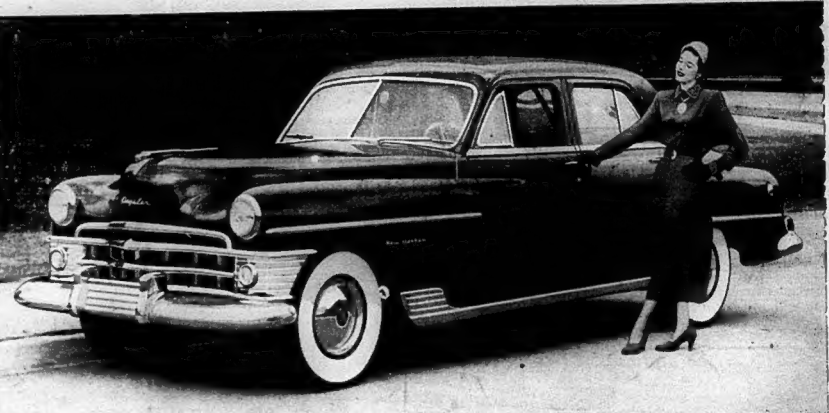

ARTIFICIAL BREEDING

After only one year of artificial breeding association service in Duval County 28 members of the association have bred 1,600 cows artificially, according to County Agent A. S. Lawton. Mr. Lawton says interest in this type of breeding is growing and most association members are selling their bulls.

Even more than meets the eye!

Look—The beauty you see on the surface of this sleek new Chrysler is only a hint of the value that lies beneath! When you feel the surge of its steel body through this entire silent beauty as it takes off, you'll know there's nothing like it! When you feel its comfort . . . as you settle down in the softness of their hair seats, you'll say, "There's no comparison!" Before you decide on any car, look into Chrysler's value all the way through!

Beautiful Chrysler 4-Door Sedan . . . Today's Style Classics

See it—drive it . . . there's built-in value all the way through!

Chrysler Driving Advantages:

Fluid Drive . . . automatic gear shifting with exclusive car control High Compression Spark Plugs . . . extra power at all speeds. Super-charged for longer life. Chemically treated cylinder walls for greater wear! Waterpump, Ignition System . . . prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean.

Chrysler Comfort Advantages:

Chair Height Seats . . . no crouching on the floor . . . Functional Design . . . room for your head, legs, shoulders. Easy to enter and leave. Center-Door Steering . . . minimal road shock, wheel fight. Rubber Body Mountings . . . Floating Floor . . . eliminates vibration, helps you relax, smooth ride in history.

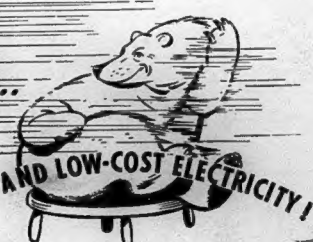

Chrysler Safety Advantages:

Safety Rim Wheels . . . won't throw you after blowout or normal speed. Constant Speed Windshield Wiper . . . electrically operated. Safe Guard Hydraulic Brakes . . . balanced brake power, smoother stops, less pedal pressure. Crossbraked linkages for double the wear. Full vision . . . wherever you need it.

DON'T SIMMER THRU THE SUMMER...

BEAT THE HEAT WITH FREE AIR AND LOW-COST ELECTRICITY!

Here's how **EXHAUST FANS** COOL THE WHOLE HOUSE!

BOTTLED UP AIR IS HOT

When you get in a parked car—even with the windows open, the heat bakes down from the roof and radiates in from the sides—you feel hot.

AIR IN MOTION IS COOL

But once you take off, the sweep of fresh air soon cools off the car—and you.

Your house is like a parked car—even after the sun goes down, and with the windows open, the heat bakes down from the roof and radiates in from the sides—you feel hot.

You can't move your house—but with a modern exhaust fan you create the same effect. . . . Hot, stale air is driven out . . . cool, fresh air is drawn in . . . the whole house cools off in a matter of minutes.

There's a modern "comfort cooling" solution for every home and budget problem . . . and postwar mass-production prices are surprisingly low. If you haven't checked up lately—

SEE YOUR DEALER FOR A FREE "COMFORT COOLING" SURVEY or call our office!

SOUTH BAY BEAN COTTAGE LAKE HARBOR

W. J. Goss of Donaldsonville, La., and daughter Mrs. Lucille Nunnery of Leary, Ga., who have been visiting their son and brother, H. A. Williams, on Beach, Mr. Jeffries has accepted a position as accountant at Himes and Himes.

Andrew Nix, who submitted to a major operation at Good Samaritan Hospital recently, is recovering nicely and is expected to be able to return to his home on Saturday, July 15.

Mr. and Mrs. Marvin Miller and children, Billy and Sue, have returned from a visit at Register, Ga., among relatives and friends.

Mr. and Mrs. C. B. Higginbotham will also soon return from Register, Ga., where they were called to the bedside of her sister, Zona, who fell and fractured her leg in two places.

Mrs. J. W. Mathewson left Thursday for Idaho where she will visit her mother, brothers and sisters and their families during a three weeks vacation.

Mr. and Mrs. W. C. Allen, Jane and Susie, and Mrs. Minnie Hester are on a vacation visit among relatives at Anniston, Ala., and other points in Georgia and Alabama. It is Mr. Allen's first real vacation in more than 20 years so faithful has he been to his duties with the South Florida Conservancy District.

Mr. and Mrs. J. K. Willis have moved from the Kraus home between South Bay and Bean City to the Dawson cottage in South Bay.

The R & B Properties are repairing the Blue Bell Package Store, putting down new foundation and making other repairs to the building.

Mrs. Editha Eckman, Mr. and Mrs. Glenn Hess and family have returned from a vacation visit among friends and relatives in Fayette City, Pennsylvania and near-by points in and around Pittsburgh.

Mrs. G. J. Barstow and son Don have returned from a three weeks visit in St. Louis, Mo., Creston, Iowa, Denver, Colorado and Tampa. They visited her son Carl Barstow and family. Miss Ruth Barstow, registered nurse at St. Luke's Hospital in Denver, her mother and sister in Iowa, friends and relatives in Tampa.

Birth Announcements

Mr. and Mrs. Walter H. Tharnes, Jr. of South Bay announced the birth of a daughter Joanna on Thursday, July 6.

Mr. and Mrs. C. A. Tharnes of Lake Harbor announced the birth of a daughter Mollie Virginia on July 3 at the Good Samaritan Hospital in West Palm Beach.

Demonstration Club Holds Meeting

The South Bay Womens Home Demonstration Club met Thursday afternoon at the school cafeteria, Mrs. I. P. Roberts presiding.

The topic for discussion was the proper home care of the hair. Mrs. A. L. Cumpston presented a demonstration on hair cutting using one of the members as a model.

Miss Sara Horton, home demonstration agent, gave a demonstration on home canning and preserving and displayed an exhibit of guava, papayas and mango preserves.

The next meeting on August 3 will be given over to a demonstration on the making of figurines and later in August a work meeting is planned during which members will make trays and other home handicraft.

It was announced that Janice Tharnes of Lake Harbor was the 4-H girl to whom the camp scholarship had been awarded. Miss Horton also announced that since not a sufficient number of women had registered for camp, no Senior camp would be conducted this year and that the 4-H Club girls would go into camp during the week of July 10 to 14. The Senior Council was scheduled to

meet on Tuesday, July 11 at camp during the session of the 4-H Club.

Justice Roberts To Speak At Sanatorium Dedication

Justice B. K. Roberts of the Florida Supreme Court will be chief speaker Sunday, July 16, when notables from far and near meet to dedicate the new state tuberculosis sanatorium at Lantana. Senator Wallace Stur-

Going on vacation?

DID YOU notify the police that your house is to be vacant?

DID YOU stop the newspaper and milk delivery?

DID YOU arrange to have your mail forwarded?

DID YOU check up on your insurance coverages?

To really enjoy your vacation or trip, you want to be sure that everything at home is safeguarded and that you are covered against the hazards of travel.

Let us check your insurance to make sure that you have adequate protection against loss.

NATIONAL JAMBOREE
(Continued from Page 1)
wall, and it was a sight to watch the Scots come in dressed

in kilts with their bagpipes going followed by the Canadians and their peculiar arm-swinging snappy march. The

German wore pants made of some sort of leather. During the stay the boys from the International Section exchanged awards with our own American Scouts, officially.

"I was privileged to act as Color Bearer when the National Colors were grouped on the platform to receive President Truman. Host of the boys did not get to see the President because of the sound and picture trucks massed between him and the audience. They decided that they must go to see the Newsreels back home to find out how he and they looked to each other when facing but unable to perform a friendly nod."

"When camp chores were done, usually in the morning, our time was our own to visit the historical sites of the Valley Forge camp, and we took a trip

to Philadelphia where we saw the Betsy Ross House, Christ Church, Independence Hall, the Liberty Bell and Washington Square. A panoramic staging of historical activities at Valley Forge was enacted one night under blue lights and was very realistic and impressive, particularly in the scenes concerning hunger, cold and threatened mutiny of the troops.

"On our return we stopped over at Washington's Raleigh Hotel, where the managers told us at breakfast that his fear of what the boys would do to his furniture and hotel were unfounded. "You boys did quite well; as a matter of fact much better than some of the conventions of grown folks we've had here." The boys appreciated the recognition of our conduct there. We crammed in all the sights in Washington at a glance, even walking up Washington's Monument. (Editor's Note: Try running down its steps sometime; we've done it to our sorrow.) Mount Vernon and the National Cemetery were mixed in with Lincoln Memorial, Smithsonian Institute, The Capitol and other sights."

"The newspapers say we set a world's record by having 43,000 boys attend a religious service at one time; it was impressive. Whatever religion was represented—services were made easy to find on a voluntary basis."

"Sick call was had each morning, taken up mostly by poison ivy and poison oak scratches, accidental bruises and cuts."

"Telephone, telegraph and mail service was close at hand with twice daily deliveries. "Advice and direction by older Scout Leaders was available in each section headquarters as well as at General Headquarters."

"It was a sight to look from a Tower over the campgrounds bearing for 47,000 Scouts aid to have pointed out to us where General Washington's Army exerted thru the winter, and I heartily recommend to all Scouts to do whatever they can to take this trip for it makes you know more about just how big the U. S. is, and impresses you with some of our history." "The whole trip was accomplished with a minimum of violations of the "Scout Way" of living. I appreciate the trip."

ing. The junior choir rendered the song service. The community Bible school will begin Monday morning July 17 at the First Baptist Church. The school is for all the children and adults of the community. It will be conducted under the direction of Rev. J. B. Adams, the pastor.

The Women's Home Mission Society sponsored a tea Sunday afternoon, June 9, at the home of Mrs. Amelia Houston. Mrs. Fields gave an interesting talk to the guests. Her subject was "The Missionary Field of Service." The tea was a success.

New Bethel Baptist Church

Rev. G. M. Douglas, Pastor
Rev. W. Porter, Pastor

Sunday School was open at 9:30 a.m. with the Supt. Dea. Sandy Kendall, and the teachers took charge of their class for twenty minutes. The lesson was reviewed by the pastor.

Rev. H. Griffin of West Palm Beach came forward and gave some brief remarks on the lesson. The offering was good. Class No. 1 still holds the banner.

At 11:00 devotion conducted by Mrs. Julia Holland and Mrs. Daisy Hart. The junior choir rendered song service with the direction of Mrs. Gladys Wright.

The morning scripture was Proverbs 6:1-13. It was read by the pastor. Then Rev. H. Griffin came forward and delivered the sermon. He preached a short spiritual sermon.

Two members were added to the church, Mrs. Willis Mae Bailey and Mrs. Louise Benson.

The covenant service was open for testimony. Each one testified that they were still working for the Master.

At 6:00 p.m. the BYPU was carried out by Dea. C. W. Brown. 7:30 devotion was conducted by Mrs. Rosa House.

Again the junior choir rendered song service.

The evening scripture was found in Gen. 32:20-32. It was read by the pastor. Then the pastor preached a wonderful

sermon.

The communion service was opened with scripture found in St. Math. 14:21-28 verses. It was read by the pastor. The offering for the day was good.

On Monday night WIM and the YWA was open at the usual hour with the YWA president, Mrs. Annie Mae Everett. Scripture lesson Psalm 33:12 and Proverbs 14:34. The president read the mission lesson from the guide subject. "Fulfillment Involves the Obedience to the Law." Then the lesson was turned over to our Bible teacher, Mrs. Julia Holland. She taught the lesson very nicely.

We have on our clerk list Mrs. Fannie Shelton, Mrs. Annie Lou Brown and Mrs. Tommie Howard. We wish them a speedy recovery.

Visitors and friends are always welcome in our meetings.

Recreational Activity At Okeechobee Labor Camp

Since June 19, 1950, the average pupil daily attendance has been seventy-five percent, according to Arthur King, head of the program here. Three softball teams have been organized. Group 1, 2, and 3. Last week group 1 played two games in Bryant, Fla., losing one and winning one game. Group 2 played in Pahokee, Fla., Saturday afternoon winning by a score of 11-6. The return game with Bryant that was scheduled for Monday was rained out. The truck leaves Belle Glade for the Okeechobee Center at 2:15 very day except Saturday. A variety of activities of different types are included in the

daily program. The activities offered for pupil and adult participation are horseshoe pitching, table tennis, checkers, softball, basketball and sociable playing games.

Every Saturday afternoon from three to six o'clock, the Nelson who won in the horseshoe pitching contest. Group The Brown Peanut Farm Team has the best record in softball.

played the adult Okeechobee Camp and lost.

The center is offering many indoor and outdoor games of interest to every one. Come out and enjoy yourself with us. Our hats are off to Sim and Leroy from three to six o'clock, the Nelson who won in the horseshoe pitching contest. Group The Brown Peanut Farm Team has the best record in softball.
